There are four categories open to schools. One each for infant, primary, secondary and special schools. The competition is one of the few opportunities available to schools to showcase their work at a national level. Secondary schools with sixth forms also have the opportunity to compete to represent Wales at Eustory. Eustory host an annual seminar for

Attached is a copy of the Eustory leaflet for your information. I have also attached a copy of the report that was produced last year describing the submissions received and I hope that you will seriously consider submitting an application this year.
